

# ALEMBIC

tech rider

Basic information

Group name:

Alembic

Members:

Iva Damjanovski - theremin, keyboards, vocals

Viktor Tanaskovski - guitar, vocals

\*Alembic is a band that plays either as a duo or as a quartet. When playing as a quartet, they are joined by:

Andrea Mircheska - bass guitar

Dragan Teodosiev - drums

## Equipment that we are bringing:

- theremin
- analog synth
- guitar (if the travel restrictions allow it. If not, then we need one provided by the organizer)

## Equipment we need from the venue:

- PA (mixer with hall reverb for the vocals, guitar and theremin)
- two monitors
- guitar amplifier (any kind)
- keyboard stand for our analog synth
- two vocal mics on stands
- one bottom half of a mic stand for the theremin
- floor tom with one mallet drumstick (optional)
- projector or video screen if available (we play with our custom visuals if possible).

**Accommodation when playing as a duo:** 1x double bedroom with a private bathroom (Hotel - at least 3 stars, or private accommodation - at least 9.0 booking.com rating + strong wifi signal)

**Dietary preferences:** none

**\*for both accommodation and meals, per diem is preferred.**

# Stage plan

## QUARTET

## Equipment that we are bringing as a quartet:

\*same as above, plus

- a fretless bass guitar (same as the guitar - if the travel restrictions allow it. If not, then we need one provided by the organizer)

## Equipment we need from the venue when playing as a quartet:

\*same as above, plus

- full drum kit (cymbals, snare, stool included)
- bass amplifier (any kind)
- two more monitors (4 total)

АЛЕМБИК  
УБЕВБИ
